

# Bangin Beats By REL

## Notes:

### BEAT#

Write the Beat number for the beat you want. This number is listed next to the name of the beat on the website.

**Example:** SCR-**B001**

### Discount Code

If you have a Discount Code from the website or a promotional email you received from SCR Entertainment, enter the Discount Code here and calculate the discount by following the instructions from the website or email.

**Example:** during the site launch promotion, you can save \$10 per beat. If you bought three beats your discount would be \$30. Enter **-\$30**.

(No Discount Code is necessary to take advantage of the **free** beat if you purchase four.)

### CD via Priority Mail

The WAV files are very large and can take a long time to download if you have a dial-up internet connection.

If you wish to receive your files on a CD, add **\$9** in this field and your beats will be shipped to you via Priority Mail (United States, Canada and Mexico only – all other international addresses: **\$12**).

You will still receive an email with a link to download the files so you will still have the option to download them if you wish.
